

12-15 Passenger Van Driver Training

2012-2013 Cost: \$118 per student

There are minimum driving standards for drivers of 12/15 passenger vans. You should check with your agency fleet manager and/or risk manager before registering for van driver training. VanPool participants should check with the VanPool Manager.

Eight students must be registered and confirmed in order for a scheduled class to take place. Enrollment will be on a first come, first served basis, determined by receipt of a properly completed application and proper payment. Applications that are not complete and/or do not include payment will be returned to the applicant. Refer to the Application for State of Wisconsin Van Driver Training.

This is an all-day class, beginning at 8:30 am. The instructor is from Madison Area Technical College (MATC). Each driver should plan on the class lasting until approximately 3:30 pm. A true/false test will be given at the end of the classroom session that must be passed before the driver can participate in behind-the-wheel training.

Each participant must provide his/her own transportation to and from the class, which will convene promptly at 8:30 am in the Green/Jefferson conference room at the Wisconsin Department of Transportation District 1 office located at 2101 Wright Street, Madison, WI.

Classes scheduled for the first half of 2013 are as follows:

January 10	February 21	April 4	May 23
January 24	March 7	April 18	
February 7	March 21	May 9	

You must be properly registered and be confirmed in order to attend a scheduled class.

IMPORTANT INFORMATION IF YOU REGISTER TO ATTEND TRAINING:

Be on time for class and attend the entire day's training. If you are not present for the entire training session, you will not be given a passing grade and your registration payment will be forfeited.

You will be confirmed for the class at least one week prior to the scheduled class. Once confirmed for the class, your payment will be applied to the scheduled class whether or not you attend. Substitutions will be allowed as long as you provide State Risk Management at least 48 hours notice prior to the class; phone 608-261-6638 to provide the name of your substitute.

Thirty (30) minutes will be allotted for lunch. You may choose to bring your own lunch. As an alternative, a fast food restaurant is located nearby.

The use of seatbelts is required under Wisconsin law for all drivers and passengers. If for some reason you have any intention of disputing this law or refusing to wear a seatbelt while in your capacity as a driver or passenger in a state vehicle, you will not pass this class and should not sign up.

Prior to the class, each participant should read the following four NHTSA (National Highway Traffic Safety Administration) publications:

Reducing the Risk of Rollover Crashes in 15-Passenger vans:
